Month	Meeting Summary
June 2017	shall be conducted through e-mails
May 2017	<p>5/6/17 – We viewed West Side's web site; Gary put this meeting summary on the site. We reviewed the current list of wants and needs and discussed which ones are currently being met elsewhere and which ones might be contenders for our consideration. Some exciting ideas were shared.</p> <p>This month we will be collecting input from the congregation, adding to our needs/wants list. With summer schedules starting, we decided to conduct business in June through email. Kit will be emailing drafts for the groups approval of signs stating WSCC's mission, vision, and values to hang in the building; after the deadline for input from the congregation has arrived, Kit will send a complete list of wants/needs asking for input. –Kit Pittier, Chair</p>
April 2017	<p>4/5/17 – The group reviewed our needs list and talked about how to collect input from the congregation. It was decided to try multiple ways:</p> <ol style="list-style-type: none"> 1) A needs insert will be put in the church bulletin each Sunday in May. Kit will send a sample to the group for their approval. 2) Our 'needs' insert will be available May 7 at the Construction Party held during the fellowship hour. 3) Our 'needs' insert will be available June 4th at the Pool Party, asking folks to 'pool our thoughts' for needs and changes to West Side. <p>We will post a list of our needs/wants in the front entry. –Kit Pittier, Chair</p>
